So many people from around the territory and across the country have reached out to the Alkan Air family during this heartbreaking time of profound loss and sadness. The love, support and generosity of spirit everyone has demonstrated these past days is greatly appreciated and makes us feel proud and blessed to be part of such a supportive community. Thank you.

We have grief counsellors working with Alkan Air to support our employees during this very difficult time. We all miss Shawn immensely and he will forever be in our hearts.

Sincerely,  
Wendy Tayler, Jeff Faulkner, Adam Scheck and the entire Alkan Air Family
